Luke and Nick were not able to participate last year due to injuries. It will be great to have them back out on the floor this year. Luke will help us around the rim, while Blake and Nick can both shoot it. We are also high on our underclassmen, Brady Campbell (listed above) is a jack of all trades type player who can rebound and score. Justin Hackett (F 2022) is a tremendous athlete who will also help us around the rim. Cam Pragano (SG 2023), Tyler Casey (PG 2023), and Julian Carbutti (F/C 2023) are sophomores we feel have the potential to impact the Varsity level this year. We also have some skilled freshmen, Drew Mik, Matt Pallas, and James Lynch. We believe we have a great chance to win a high percentage of our games and be a team to be dealt with in the tournament. Our goal is to win it all!
